

**Directions to the Department of Administration  
One Capital Hill  
Providence, RI 02908**

**From the North:** Take I-95 to Providence. Take exit 22. Take a left at the light (north, toward the State House). Take a left where the road ends at the State House lawn. This road ends in front of your destination. Take a left and a quick right to head to the parking lots behind the building. The entrances are on the north & east sides.

**From the South:** Take I-95 to Providence. Take exit 23 (marked State House offices). Follow the road straight after the lights at the end of the ramp to get to the parking lots behind the Capitol Hill buildings. The Administration Building is the large building made of pink granite. The entrances are on the north & east sides.

**From the East:** Take I-195 to Providence. Get on I-95 north. Follow the directions for "from the south".

**From the West:** If you are coming from the northwest take I-146 south to Providence and then follow the directions for "from the north" because it will end at I-95. If you are truly coming from the west you would be on Route 6 east which will merge with Route 10 and end, as a highway at the light near the State House. Then you would follow the directions for "from the north".

Park St. and State St. are one ways and have metered parking - .25 per 12 minutes. If the gate is up, you may park in the lot circled in red – it is behind the DOA building.

When you enter the DOA building, you must sign in with Capital Police. Conference Room 2A is on the second floor next to the restrooms. You may access the second floor using the atrium stairs or the elevators.
